Plot of Volcanoes in the North/East Semihemisphere

Hemanth

2/22/2020

Week 3 Assignment

- R Markdown Presentation with Plotly Plot
- Volcanoes in the North / East Semihemisphere

Volcanoes in the North / East Semihemisphere

1. The data for the Plotly interactive plot on the following slide is from the following dataset located on Github:
https://github.com/plotly/datasets/blob/master/volcano_db.csv
(https://github.com/plotly/datasets/blob/master/volcano_db.csv)
2. The plot is limited to those in the North / East Semihemisphere

Volcanoes in the N / E Semihemisphere
