# Course 9 Week 3 Plotly Project

Hemanth Kumar Raju

2/26/2020

# The requirements of the assignment are:

1). Does the web page feature a date and is this date less than two months before the date that you're grading this assignment?

The date is displayed on the web page

2).Is the web page a presentation and does it feature an interactive plot that appears to have been created with Plotly?

The code shows the I used plotly and the graphs are interactive

# Slide with Plot

```
## [1] "Today's Date is 2020-01-09"
